**संडे अँकर। सुप्रीम कोर्ट : तंत्रशिक्षण परिषदेचा हस्तक्षेप बेकायदा; दोन संस्थांतील वादावर पडदा**

## फार्मसी शिक्षणाचे अधिकार फक्त फार्मसी कौन्सिललाच

नवी दिल्ली : फार्मसी शिक्षणाचे नियम करण्याचे अधिकार फार्मसी कौन्सिल ऑफ इंडियालाच असून, त्यात तंत्रशिक्षण परिषदेने (एआयसीटीई) हस्तक्षेप करणे बेकायदा आहे, असा निकाल देऊन सर्वोच्च न्यायालयाने या दोन संस्थांमध्ये असलेल्या वादावर पडदा टाकला आहे.

राज्याचे तंत्रशिक्षण संचालनालय फार्मसी व आर्किटेक्चरचे प्रवेश देताना कॉलेजांची मान्यता व प्रवेशाक्षमता यासाठी एआयसीटीईचे निर्णय मानत होते. यापुढे त्यांना फार्मसी कौन्सिल व इन्स्टिट्यूट ऑफ आर्किटेक्चरच्या निर्णयानुसारच प्रवेश घ्यावे लागतील. चैद्यकोप, विधि या व्यावसायिक शिक्षणप्रमाणे फार्मसी व

### निर्णय होऊनही वाद कायम

यासंदर्भात केंद्रीय आरोग्य व मानव संसाधनमंत्र्यांच्या दोन वर्षांपूर्वी बैठक झाली. त्यात 'एआयसीटीई' कायद्यात दुरुस्ती करून तंत्रशिक्षणातून फार्मसीचा उल्लेख वाढवण्याचे ठरले, परंतु नंतर सर्व व्यावसायिक शिक्षणासाठी एकाच राष्ट्रीय नियामक संस्था स्थापण्याचा विचार सुरू झाल्याने दुरुस्ती राहून गेली. या प्रस्तावित राष्ट्रीय नियामक संस्थेचा फार्मसीचा दुराच्ययानेही संबंध नाही, असे न्यायालयाने स्पष्ट केले.

आर्किटेक्चरसाठी संसदेने कायदे करून त्यांच्या नियमनासाठी स्वतंत्र कौन्सिल स्थापन केल्या आहेत; परंतु १९८७ च्या एआयसीटीई कायद्यात तंत्रशिक्षणाच्या व्याख्येत फार्मसी व आर्किटेक्चर यांचाही उल्लेख आहे. याचा आधार घेत एआयसीटीईने त्या शिक्षणातही

मंजुरीनुसार राज्यातील सुमारे ३३०० फार्मसी कॉलेजांत शेंकडा विद्यार्थ्यांना वाढीव प्रवेशाक्षमतेनुसार प्रवेश मिळाले. आताच्या निकालानुसार वाढीव जागांवरचे प्रवेश बेकायदा ठरतात; परंतु त्या विद्यार्थ्यांनी अभ्यासक्रम पूर्ण केल्याने आता ते रद्द न करण्याचा दिलासा न्यायालयाने दिला. त्या विद्यार्थ्यांचा फार्मसी कौन्सिलने फार्मसिट म्हणून नोंदणी करून त्यांना व्यवसायाची मुभा द्यावी, असा आदेश न्यायालयाने दिला. राज्यातील एआयसीटीईच्या निर्णयानुसार प्रवेशाक्षमता वाढवून दिली, मान्यता दिली या कॉलेज दोन पाठ्यांमध्ये चालविण्याची मुभा दिली.

## Pharmacy Council Will Approve Pharmacy Courses, Not AICTE: Supreme Court Decision

09<sup>th</sup> March 2020: The Supreme Court of India has recently made a landmark observation over the statutory authority of Pharmacy Council of India (PCI) when it comes to matters related to pharmacy. The bench of Honourable Justices Arun Mishra, Vineet Saran and MR Shah held that only Pharmacy Act 1948 will be applicable in relation to the subject of Pharmacy, including approval of courses of study, minimum standards of education required for qualification as a Pharmacist, registration as a Pharmacist & regulation of future professional conduct etc; not any other authority.

# COVID-19 Awareness

Coronaviruses are a group of viruses that cause diseases in mammals and birds. In humans, the virus causes respiratory infections which are typically mild but, in rare cases, can be lethal.

- **Symptoms of Coronavirus disease**

Coughing, Fever, Pneumonia, Shortness of breath, Vomiting, Diarrhoea

**Note:** In advanced cases, the patient can have very serious complications, which can lead to death, such as: Sever pneumonia, Renal (Kidney) failure.

Coronavirus infection is similar to a common cold and typically affects the upper respiratory tract.

- **Prevention of COVID-19 Infection:-**

- 1) Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer.
- 2) Avoid touching your eyes, nose, and mouth with unwashed hands.
- 3) Avoid close contact with people who are sick.
- 4) Stay home when you are sick.
- 5) Clean and disinfect frequently touched objects and surfaces.
- 6) Maintain Hydration level: Adult should drink 50-80 cc warm water and children should drink 30-50cc warm water.
- 7) Cover your nose and mouth with mask.
